

Class Name & Instructor(s)	Description	Day	Minimum # of Students	Maximum # of Students	Fee
<b>Intro to Tae Kwon Do</b> Instructors: Bill Hammond, Patricia Dalton & Edmundo Morales	JOIN THE FUN! Tae Kwon Do is for everyone-boy or girl, big or small-no one sits the bench-all are involved! Children will be introduced to basic blocks, kicks, strikes, self-defense and nunchuck skills. On the last day, parents are invited to attend a special demonstration of board breaking and all of the skills the children have learned.	Tuesday, Wednesday or Thursday (please pick one day)	10	16	\$38.00
<b>Science After School</b> Instructor: Club Z! Marybeth Cartwright	<b>S C I E N C E - C L O S E D</b>				
	A new experiment every week! Biology to Physics...an explosion of fun! Students will complete most of the experiments in class and bring home a short description to spark conversations at the dinner table.	Tuesday	8	14	\$36.00
<b>Ceramics for Elementary School</b> Instructor: Everyday Artists, Inc. Paint Your Own Pottery Studio	Come learn about different types of bisque and create six custom ceramic pieces! Each project will require design planning, color choices, possible painting, details of the kiln process and finishing touches. The Everyday Artist's studio will glaze and fire necessary pieces of work. Examples of projects may include bowls, plates, figurines, boxes, banks and personalized plaques. Some pieces will require time and drying; therefore, a piece may not be brought home every week. A work smock is suggested for this class. All other supplies and materials are included.	Tuesday	8	12	\$75.00
<b>Intro to Ballet</b> Instructor: Kellie Greer	Twirl, leap and dance into spin with Intro to Ballet! This class will introduce students to the fundamentals of ballet. Fun and engaging activities will be used to teach dance terminology, techniques and steps.	Tuesday	5	15	\$30.00
<b>Fun With Food</b> Instructor: Lisa Norman-Jones	Have hands-on fun learning about and making different types of food! Edible play dough, scones, fruit pizza and smoothies are just a few of the items that we will make in cooking class. Every week students will bring home a sample of what they have made, along with a recipe card so they can try it at home. <b>Please note: If your child registers for this class, you will be contacted via email for any food allergy information.</b>	Wednesday	8	12	\$35.00
<b>Fun With Watercolors</b> Instructor: Melinda Kempista	In this class students will explore various watercolor techniques. Using a variety of watercolor papers and materials, they will learn about the effects of watercolor paint. Children will be bringing home several paintings over the weeks that will be perfect for framing or saving in scrapbooks. Each class will begin with a short stretching session to get the muscles warmed up for the creative process!	Wednesday	5	10	\$34.00
<b>Crime Scene Capers</b> Instructor: Science Explorers- Linda McCawley	Become a Science Explorers CSI! Each week a new suspect will be uncovered and we'll use forensic techniques to solve the mystery of "Who Did It." Lift fingerprints, complete an analysis of unknown substances, conduct testing and use a black light to reveal glowing evidence. See if you'll be the one to crack the case! Each week your scientist will bring home everything they make, and a parent page will go home to let you know the science of the day, as well as additional activities.	Wednesday	10	15	\$80.00

Class Name & Instructor(s)	Description	Day	Minimum # of Students	Maximum # of Students	Fee
<b>L E O G C L U B - C L O S E D</b>					
<b>Lego Club</b> Instructor: Club Z! Andrea Davis	Explore, build, share and imagination are the keys to this class. Ms. Davis will bring bins of legos each week and offer the students two themes. Their challenge is to build something related to the theme and tell all about it!	Wednesday or Thursday (please pick one day)	7	12	\$24.00
<b>Mosaics for Elementary School</b> Instructor: Everyday Artists, Inc. Paint Your Own Pottery	Come study and learn about different types of mosaic techniques! We will create six custom mosaic pieces by hand. Each project will require design planning, color choices, possible painting, grouting and finishing touches. The Everyday Artist's studio will glaze and fire necessary pieces of work. Some pieces will require time and drying; therefore, a piece may not be brought home every week. A work smock is suggested for this class. All other supplies and materials are included.	Thursday	8	12	\$75.00
<b>Spanish</b> Instructor: Jacqueline Mercier	We will travel to South America to learn the language, cultures, geography, animals, foods and some typical things from each Spanish speaking country. We will have fun by doing crafts, drawing, acting and imagining a whole world of interesting things you do not know!	Thursday	4	12	\$30.00
<b>Yoga</b> Instructor: Club Z! Shannon Boyd	Yoga is a discipline that builds a strong, flexible body as well as a calm mind. Children will learn to love and appreciate how AMAZING the body can be! Shannon Boyd is a certified Yoga instructor. Students need to bring a yoga mat OR if you would like the instructor to purchase a mat for your child, please add an additional \$15.00 to the registration fee. Thank you!	Thursday	6	12	\$24.00
<b>Nut Free/ Peanut Free Cupcake and Cookie Decorating</b> Instructor: Becki Pine	As a parent of a child with food allergies and having them myself, I wanted to share a fun class on cupcake and cookie decorating. In this class, children will be using dairy free, peanut free and nut-free products to decorate cupcakes and cookies. We will be using cake and cookie mixes made by Cherrybrook Kitchens (a reputable allergy free product.) We will briefly discuss the importance of these products for children with these allergies. All recipes will be sent home with the students or emailed to the parent during the 6 week session. We will also be using a few recipes from FoodAllergymama.com. It will be fun and artistic, making butterfly shaped mini cakes to a few freestyle decorating projects. Join in the allergy-free fun! Any questions...please contact Becki Pine at beckipine@verizon.net. Please note: If your child registers for this class, you will be contacted via email for any food allergy information.	Thursday	6	8	\$34.00
<b>* * N E W S P O R T S - J U S T A D D E D * *</b>					
<b>Sports "Fun"-atics</b> Instructor: Stacey Younger	Sports "Fun"-atics is a great place for kids to burn off some energy after a full day at school. Students will participate in different sports with a twist. "Baseball" with a beach ball, "bowling" with bean bags, and banana relays are just some of the games we will play. Children have the opportunity to meet new people, participate in team sports and feel success when trying new things. At our last class, we will hold an awards ceremony that families are welcome to attend.	Wednesday	8	15	\$24.00
